CURRENT EVENTS

The year 1985 was a very exceptional one, here at Seneca East. In the field of Athletics our Football team had a great year by winning the L.S.C. Crown for the first time in the school's history. The Basketball, Wrestling and Track teams also had a very good year by winning the L.S.C. and the S.C.L. titles. In Academics, our students received thousands of dollars in Scholarships. We had different assemblies over the year including Mimes, Cedar Point Revue and the band Destiny.

There were many happenings in the world during the year 1985. President Ronald Reagan was elected for a second term and Richard Celeste was Governor of Ohio. Top issues in 1985 were Baby Fae and the starving people in Ethiopia. Popular singers for the year were Bruce Springsteen, Brian Adams, and Madonna. Top songs were "Born in the U.S.A.," "California Girls," and "We are the World." "The Cosby Show" was a big hit and "Beverly Hills Cop" and "Up and the Creek" were popular movies.

PROM 1985

On Saturday evening May 4, 1985, at 6:30 p.m. many people entered into a beautifully decorated gym for the Junior-Senior Prom. The theme of the prom was "Sea of Love."

The evening began with a buffet style dinner of roast beef, escalloped potatoes, corn, bread and butter, fruit cup, jello salad, and pie. Once dinner was finished, we went to the auditorium where Deb McConnell, Jr. class president, gave a welcoming and Val Houck, Sr. class president gave a response. While in the auditorium the prom servers put on a series of skits. Heather Jackson and Missy Ison sang "Crazy for You", and the Barbershop Quartet sang a few numbers. Betty Arbogast was a reporter from WTTF who visited the class at their 25th reunion.

Everyone returned to the gym for the dance and to get their picture taken. The strobe light from the light house shone brightly as everyone danced to "The Strecker Road Band". The evening was highlighted by the crowning of Prom Queen Terry Ferguson and Prom King Ed Daniel.

At 12:00 everyone loaded the buses for the Tiffin Mall Cinema where we saw the "Karate Kid". An early morning breakfast was served at the school.

The evening was over, but the memories of it will last a life time.

SENIOR TRIP

From April 7th to the 14th, the class of "85" was not to be found in Ohio but in sunny California. We arrived at our first destination, the Sea Point Hotel, in the early morning hours.

Monday morning we found ourselves traveling to Tijuana, Mexico. Upon returning to the U.S. we headed for the beach to catch some rays. That evening we went to Old San Diego where we had dinner at the Hamburguesa.

The famous San Diego Zoo was the main attraction for Tuesday. We toured beautiful San Diego on our way to the Lawrence Welk Village in Escondido. While there we enjoyed a buffet dinner and saw the musical "The Pajama Game".

On Wednesday morning we checked out of the Sea Point and headed for San Juan Capistrano where we visited the Mission. We checked into the luxurious Marriott Hotel in Anaheim. That evening we had dinner at the Hansa House.

Catalina Island was on the agenda for Thursday and that evening we had a pizza party by the pool.

On Friday we went to Hollywood and Universal Studios. In the afternoon we watched the taping of "The Wheel of Fortune" at NBC Studios. We experienced the oriental life at China Town that evening.

Our last full day in California was spent at Disneyland. We all knew that our Senior Trip was over, but the memories of it will last forever.

The seniors going back to their natural habitat.

Nice hat, Gary!

Deb and Millie, who are ya droolling over?

Hi. How ya doing? We're not members of the Union.

What a Motley Crew!!

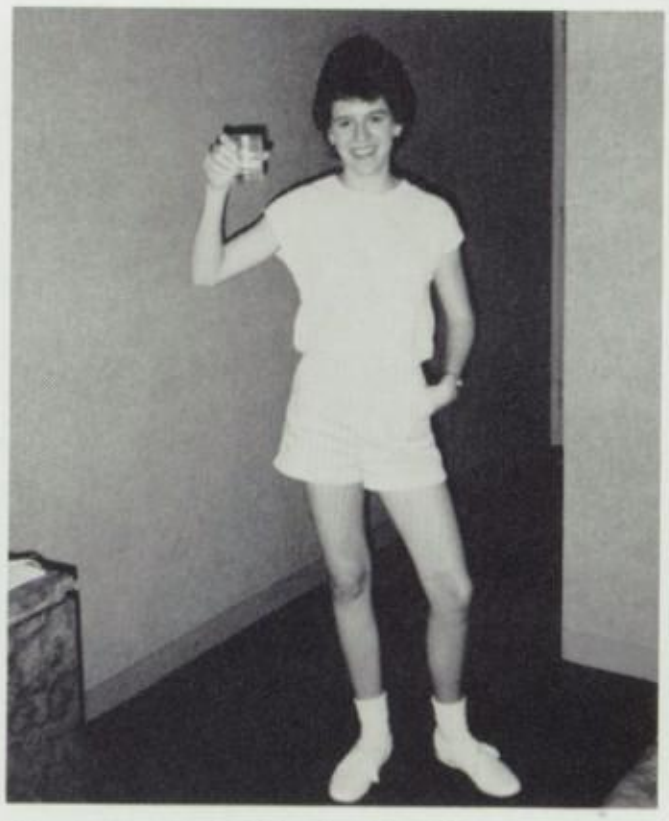
Look Out California Girls. The Ohio "Studs" are here!!

But we already saw the monkeys.

Terry soaking up the California rays!

Are we having fun yet?

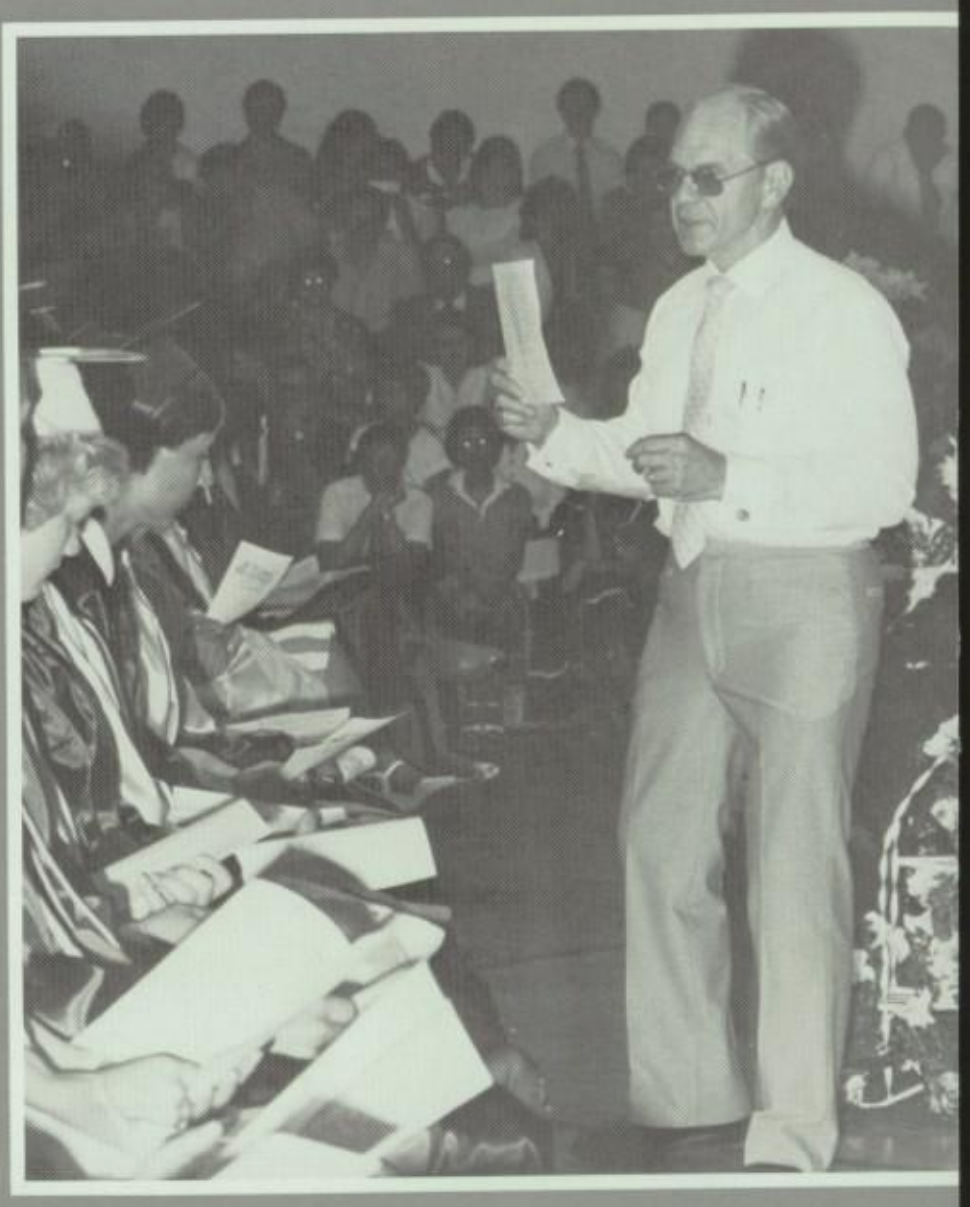
And this, Allen, is how we load the film.



Here's to the California Guys!!!

THE 1985 S.E. GRADUATION

Our graduation night, June 7, 1985, was filled with many mixed emotions. While getting ready to go there was nervousness in the air as we realized this was the end of our High School years. The band brought us in by playing "Pomp and Circumstance". The speaker for the evening was Dr. Edgar Cobett who had a very enlighting speech for us. Then the chorus performed a few numbers. Mr. Funk presented the class and president Valerie Houck gave a few remarks. The presentation of the long awaited diplomas was next on the agenda, with the Benediction and Recessional following. Other officers for the class were Gary Schaaf-Vice President, Wendi Schiefer-Secretary, and Annette Emery-Treasurer. The class colors were Navy Blue and Light Blue. The class flower was a Tinted Rose and the motto was "What appears to be the end, may really be a new beginning."



Dr. Edgar Cobett speaks to the class.

The Mixed Chorus had a busy and enjoyable year in 1984-85. Among Christmas concerts, contest, and winter and spring performances, the group worked diligently on blend, balance, and musicianship. The fifty members of the choir can be proud of their accomplishments and look forward to continued success.

CHORALIERS

The 1984-85 Tiger Choraliers had little time to spare this year. With the ensemble as a credit course now, we had time to cover a large amount of literature and dance. The Choraliers performed dozens of times throughout the year and gave their first home show, always to enthusiastic audiences.

The Seneca East public and schools can be very proud of this select ensemble.

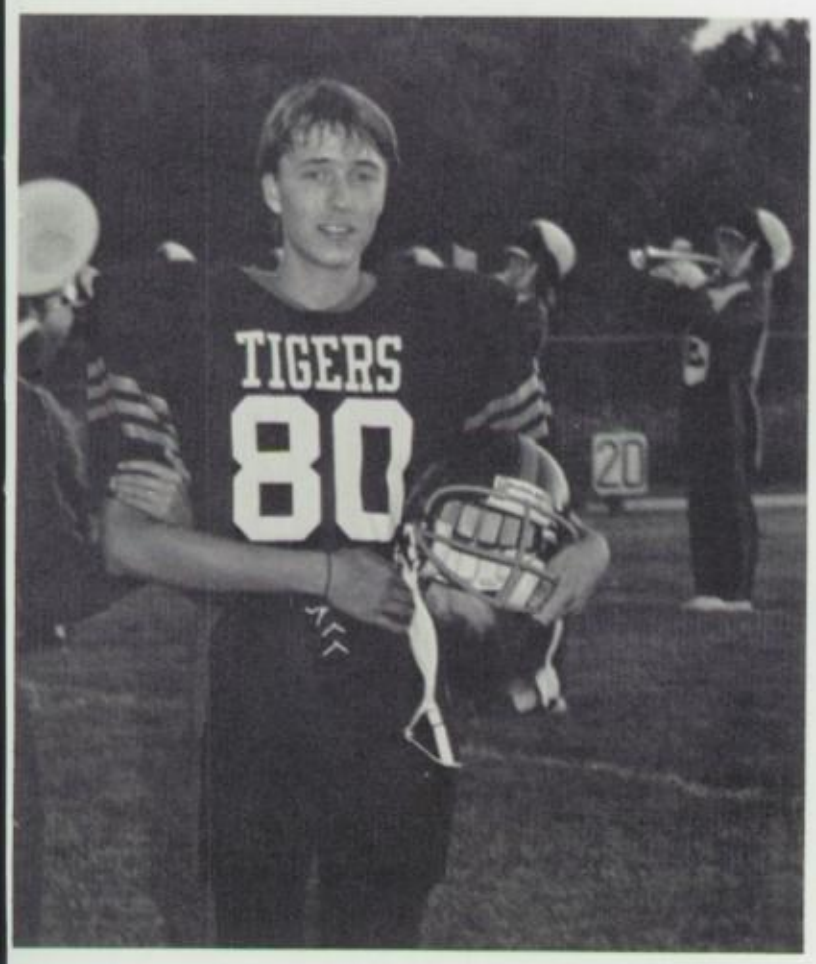
Lars Johannsen Denmark

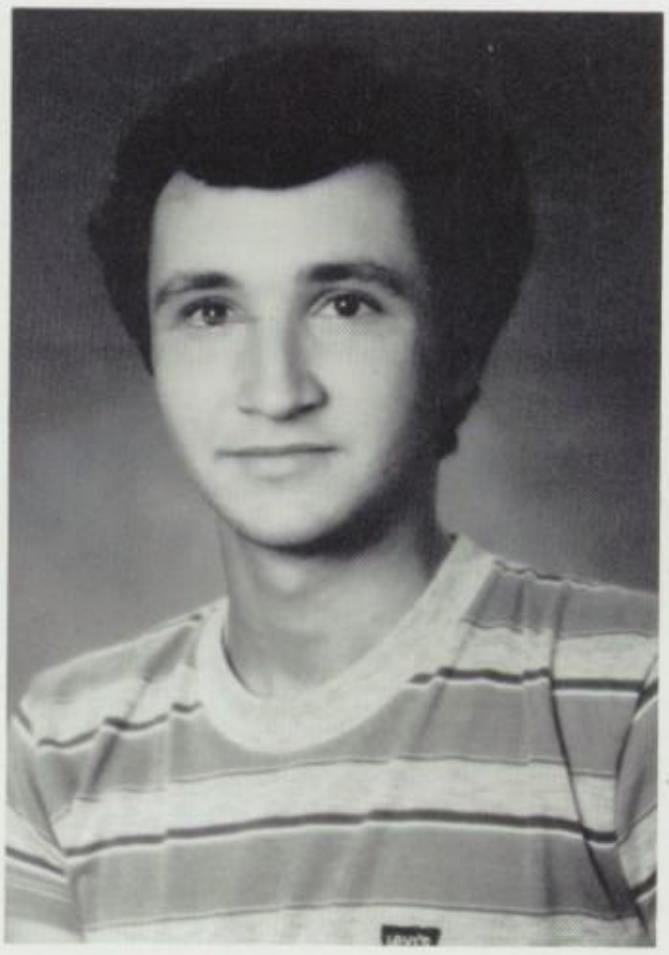


I enjoyed the football season the most. Those months were the best of my stay over here. It was just great to be on the team, and playing in the games. The class trip to California was one of my favorites, we had a very good time, and I am sure it is not the last time I have some good times. Pizza is my favorite food, and I like drinking Mountain Dew. I would like to give a thank you to my family, the Cook's for being so nice and for giving me a great year with a lot of fun. Thanks you guys!

Reves Zavala Spain

I arrived in the US the 24th of August from Madrid, Spain to spend all the year with the Dryfuse family. I enjoyed playing in the girls basketball program. I liked this school because all the activities and the people are very friendly. I love the taste of cherry cheese cake, American milk and I like to go to Kentucky Fried Chicken and McDonalds. I am not used to this cold weather but I like snow because I like to go skiing. I want to thank the Dryfuse family for being so nice to me. I will miss them and all of my American friends.

Fernando Puchol Spain



I am Fernando Puchol. I came here from Madrid, Spain although I was born in Valencia, a city on the Mediterranean Sea. There are five members of my family. My father and mother teach music and give concerts and both are pianists. My older sister is in college and my younger brother just became a teenager. My American family is a bit unusual as I live with a Catholic priest, Ted Miller. I have no American mother, but the people from the church bring "Father" many good things to eat.

I have enjoyed being in the US attending my last year of high school, although it started too early in the morning. I have missed playing soccer here but I enjoyed learning to play football. I am returning to Spain June 19 and I plan to attend college next year to study journalism.

VARSITY FOOTBALL

we are the champions

Nine seniors and a band of talented underclassmen led the '84 Tigers to some great heights. The 9-1 record and 6-0 L.S.C. record as well as the Lakeshore Conference Football Championship were all firsts for Seneca East. Every win was a high point. The St. Wendelin game strengthened our confidence. The championship victory at Hopewell Loudon before 3,000 fans, and the presentation of the game ball to Coach Paul Jones (head defensive coordinator) was the ultimate excitement for our '84 squad. The Lucas victory was also big, giving us eight in a row, a 9-1 record, and a possible playoff birth. On behalf of the entire coaching staff, I would like to say "thank you" and goodbye to the following young men: Tim Bloomfield, Ed Daniel, Lars Johannsen, Dan Siesel, Jon Siesel, Butch Langjahr, Harold Smith, Jeff Thompson, and Chris Weaver. You guys were awesome and you will all be missed, come back and see us.

Varsity's final record was 7-14. They ended in 3rd place in the S.C.L. The tigers were loaded with young enthusiastic talent sprinkled with some veteran players from last year. Senior Millie Kochel came away with 1st team honors in both leagues. Junior, Laura Hoerig served for most points on the team and Jr. Sandy Dryfuse was voted most improved. The 1984-85 Basketball Season was one of high expectations and some hard fought disappointments. The experience many times was not enough to overcome an excellent Lakeshore Conference. However, the Lady Tigers were able to finish a strong second in the Seneca County League with a 6-2 mark. Special thanks to the seniors, Millie, Deb, Amy, Judy, Melody and Cindy for their efforts and enthusiasm exhibited throughout the season.

I'm not unhappy with the season, ending up 9-9, but a coach always wishes to do better. Average points we scored a game was 27. We shot 40% from the foul line and 18% from the field. We also had an average of 26 rebounds a game.

The 1985 Lady Tigers started very slowly. After 9 games we were 1-8. We played New Riegel in the tournament and all parts of our game came together. From this point on we lost only two games, while winning 7 in a row. When you believe in yourself many things are possible. We finished the season 10-10.

What are you looking for Mil?

I don't like that one bit!
